Luncheon Menu

Our luncheon menus are geared towards corporate luncheons. We would not recommend these menus for dinner meals as they are smaller lunch portions. Any of the menus below are priced starting at \$8.95/person (substitutions and changes welcome, additional charges may apply). Bottled water or assorted sodas can be added to any menu for \$.95/person. All lunches come with appropriate disposable ware and can be picked up or dropped off in our disposable pans to keep (upgrades available on request). Should staff and buffet setup be required our standard service charges will apply. Delivery and tax are not included in the price. Prices may be subject to change.
