Partyman Catering Testimonials and Reviews

LILY & PHIL'S WEDDING | 9.8.23

I hired Partyman for my wedding and their service was truly the best from planning to execution. The food was phenomenal and the team went above and beyond to make sure we were well taken care of, including following us around during our photo session with snacks and drinks.

They made sure the night was on schedule and everyone was very impressed with the quality of everything they put out. I absolutely loved having them. If I had to do it over again I'd pick Partyman every single time and I'd splurge for the late-night snacks. Look no further for the best catering company for anything you could need!

HANNAH & SHAWN'S WEDDING | 9.22.23

We could not have been more happy with our total experience with Partyman Catering, who we used for our daughter's wedding! From the very beginning, the entire team made the entire process very simple for us; from the awesome communication, in answering all of our many questions, to all of the amazing "details" on the day of Hannah & Shawn's wedding! (we appreciated their guidance so much, as we have never been through this before)

We had SO many people tell us during the evening how delicious the food was also! (which we agree!!!) The kids also loved their meals in the fun "kiddie boxes" (which even included a toy too!) They even brought drinks to the bride, groom & entire wedding party, immediately following the ceremony (while they were having photos taken)! At the end of the evening, we were pleasantly surprised to also have a packaged to-go meal for not only the bride & groom, but for the parents of the groom, and us.

The attention to detail was unbelievable, service was excellent & food was delicious! You can't get any better than that!!! We highly recommend them to anyone who is looking for an "A" rated caterer! Hands down, the BEST!
